Komfort in markanter Gestalt Comfort with a distinctive design

Die große Wandelbarkeit von
glasiertem Titan-Stahl zeigt sich in den
Badewannen und Waschtischen
der Linie BetteLoft Ornament. Ihre
expressive Außenform zitiert die
Geradlinigkeit des Wanneninneren und
setzt diese in einem geometrischen
Muster fort. Das facettenreiche
Spiel von Licht und Schatten verleiht
den Badelementen eine besondere
Brillanz und Lebendigkeit.

The BetteLoft Ornament line of baths
and washbasins is the perfect ex-
pression of titanium steel's outstanding
versatility. Its expressive outer
design accentuates the straight lines of
the inner well, which are echoed in
the geometric pattern. The fascinating
interaction between light and shadow
lends this bathroom collection
outstanding luminosity and vibrancy.
